GLO-CLEAT

A glow in the dark cleat, it is a bright idea, and cutting-edge product for your dock and marina.

Molded with UV inhibitors, GLO-cleat provides a safer and better alternative to typical dock cleats available on the market today. With over eight hours of phenomenal glow performance, GLO-cleat will improve your nighttime boating enjoyment.

GLO-cleat is available in multiple sizes and meets approved industry stress tests. GLO-cleat comes with a 10 year limited warranty and is proudly made in the USA.
